

HALLIGAN BAR

MADE IN USA

Leatherhead Tools Halligan Bar

- Drop Forged high carbon steel crafted with pride by tradesmen who value the fire service!
- 100% Made and Manufactured in the U.S.A.
- EVERY Halligan is tested for strength and quality to make sure standards are exceeded
- Used for forcible entry, overhaul, extrication, and lifting/prying
- Our Halligan Bar comes “tuned” for forcible entry operations
 - Redesigned Adze with a smooth striking surface to eliminate awkward striking angles
 - Thin Forks with 1 inch spread between tines for removal of door knobs
 - Reference lines for depth when gapping and setting the tool
 - Squared off shoulders for a solid striking surface
